HIGHLIGHTS	<b>UNESCO Chair</b> <i>Apr 2022 - Dec 2022</i>	As a part of the UNESCO Chair lab for the trans-diciplinary research program, I got the opportunity to conduct ethnographic research on the Attarwalas (Perfumers of Hyderabad) and the Lambani practitioners in Sindhol (Bidar, Karnataka).
	<b>Smart India Hackathon (Finalist)</b> <i>July 2020 - Team Evolve</i>	As a team we worked on developing and designing “Vihari” a community-based application that aims at increasing the ownership among locals towards their culture and heritage.
	<b>BMU Pitch Fest</b> <i>Oct 2019 - Team Parkin</i>	Got to experience the entrepreneurial journey, networked with the startup community (investors, budding startup teams, mentors). We pitched the idea “Parkin” which is an app that helps you find and rent a space to park.
	<b>Team Captain (Basketball)</b> <i>Oct 2018 - Feb 2020</i>	My role was to encourage sports among the girls of our university. We had a low ratio of girls and even few who were into sports. We revived the basketball team, and were the runners up at BMU sports fest 2019.
